COLD WEATHER

During this cold weather would you please ensure that you send your child into school appropriately dressed in a warm coat, preferably waterproof, also with a hat, scarf and gloves to keep them warm during break and lunch time play. Please could your child also bring wellies in a named bag if it snows then they can play out at break and lunch time.

SCHOOL SPIDER

Thank you to those parents who have downloaded and are using the new school app - School Spider. If you have not yet downloaded the app, please do so as this will be our only way of communicating with you via the messaging and email service.

If you have any difficulties setting up an account, please do not hesitate to contact the office.

VISION SCREENING - RECEPTION CLASS

On Tuesday 30th January vision screening will be coming into school to see the Reception children.

Vision screening is an integral part of the universal delivery of the national Healthy Child Programme. Every child in the Reception class will receive an invitation to have their vision tested in school and if you do not want your child to receive this please return the opt-out consent form to school.

PARKING

As the roads near to school are extremely busy from 8.30am till 9.00am, and 3.15 - 3.45pm, wherever possible, please walk or park a little further away and walk the last bit. Please don't park too close to drop kerbs in front of driveways, as it can cause access problems for our neighbours. Many thanks for your help with this.
